Item Description: ACCG Insurance Program Presentation

LUMPKIN COUNTY
Board of Commissioners
Work Session Minutes
Commissioners Boardroom

June 1, 2021
 4:00 P.M.

CALL TO ORDER

The meeting was called to order at 4:01 PM by Chairman Chris Dockery

Attendee Name	Title	Status	Arrived
Chris Dockery	Chairman	Present	
Bobby Mayfield	District 2 Commissioner	Present	
Rhett Stringer	District 3 Commissioner	Present	
Jeffrey Moran	District 4 Commissioner	Present	

PRESENTATIONS

1. Ninth District Headstart Presentation

Ninth District Headstart Presentation

Chairman Dockery asked Ms. Tammy Dill if she needed any assistance from the Commissioners. She asked them if they have any recommendations on fixing the congested traffic situation by Headstart. The Chairman recommended she speak with Public Works Director Larry Reiter, or the school system's Operations Manager, Greg Trammell. Stan Kelley mentioned he has heard some comments from concerned Library patrons about the congested traffic as well.

2. 2022 Budget Presentation (Finance Director Abby Branan)

2022 Budget Presentation

Commissioner Stringer asked for a more detailed breakdown of the budget expenditures pie chart so he knows what goes under each category. The Chairman asked the Finance Director about the overall requested budget increase. He observed that about half of the \$2.2 million increase is from the recommended salary study pay increases, and the rest of it is Aquatic Center staff, the SAFER personnel, and a new 911 radio system. It appears there will be roughly a \$291,000 shortfall in revenue for the Aquatic Center.

Chairman Dockery observed that costs for materials, fuel, and maintenance have risen since the pandemic began last year. Ms. Branan, Finance Director, agreed that the costs of doing business have increased across the board. The Chairman said it appears that we need \$1 million of the budget simply to maintain the current level of service (due to cost increases) and Mr. Kelley and Ms. Branan both confirmed that. He asked the Human Resources Director, Alicia Davis, about how often the salary study company Evergreen recommends re-examining salaries, and she responded every 3-5 years. However, the company did not make a recommendation for how often to implement COLA's.

3. DLC Chamber Leadership Lumpkin County Update (Chamber of Commerce Director Robb Nichols)

DLC Chamber Leadership Lumpkin County Update

MINUTES

4. Board of Commissioners - Work Session - May 4, 2021 4:00 PM
5. Board of Commissioners - Special Called Meeting - May 4, 2021 4:30 PM
6. Board of Commissioners - SLUA Public Hearing - May 6, 2021 5:00 PM
7. Board of Commissioners - Special Called Meeting - May 12, 2021 4:00 PM
8. Board of Commissioners - Public Hearing - May 18, 2021 5:15 PM
9. Board of Commissioners - Work Session II - May 18, 2021 5:30 PM
10. Board of Commissioners - Regular Meeting - May 18, 2021 6:00 PM
11. Board of Commissioners - BOC Retreat - May 24, 2021 9:00 AM
12. Board of Commissioners - SLUA Public Hearing - May 27, 2021 5:00 PM

RESOLUTIONS

13. 2021 - 35 - Amend ACCG 457(b) Deferred Compensation Plan & Adopt ACCG 401(a) Senior Management Plan (Community & Employee Services Director Alicia Davis)

Amend ACCG 457(b) Deferred Compensation Plan & Adopt ACCG 401(a) Senior Management Plan

14. 2021 - 37 - Consideration of Update to the Fixed Asset Policy (Special Projects Director Ashley Peck)

Consideration of Update to the Fixed Asset Policy

Special Projects Director Ashley Peck explained how departments have currently been tracking assets using Excel indices. Staff hopes to be able to adopt a new policy using RFID tracking technology to streamline the process. Mr. Kelley said a modernized asset tagging system would be easier on staff and would keep better track of assets, and this is similar to the process that the Army uses for asset tagging.

15. 2021 - 38 - Consideration of Fleet Replacement Policy (Special Projects Director Ashley Peck)

Consideration of Creation of a Fleet Replacement Policy

Mr. Kelley said we are taking what is currently a subjective process and trying to make it objective by creating criteria to judge when vehicles should be replaced.

16. Appoint Member to Board of Tax Assessors - --- to Seat 4 with a term expiring 06.30.2026

Appoint Member to Board of Tax Assessors - --- to Seat 4 with a term expiring 06.30.2026

Chairman Dockery said he may have a nominee by the Regular meeting.

17. 2021 - 40 - Resolution to Name the Commissioners Boardroom in Memory of Dr. David Miller Commissioner District 1

Resolution to Name the Commissioners Boardroom in Memory of Dr. David Miller Commissioner District 1

CONTRACTS/AGREEMENTS

18. 2021-035 - Medical Director - EMS - Jack Freeman (EMA Director David Wimpy)

This is a renewal agreement between Lumpkin County Emergency Services hereinafter called LCES and Jack Miller Freeman, Jr., M.D. hereinafter called Medical Director.

Chairman Dockery commented that the staff analysis alternately referred to the doctor as Jack Freeman or Jack Miller, and he asked for staff to clarify that for the future.

19. 2021-036 - ACCG-IRMA Property & Liability Insurance Renewal (Community & Employee Services Director Alicia Davis)

ACCG General Liability, Law Enforcement Liability, Public Officials Liability, Automobile Liability, Automobile Physical Damage, Property, Equipment Breakdown, & Crime insurance renewal.

Human Resources Director Alicia Davis said the increase this year is less than last year's increase. She expects to have all the final paperwork by the next meeting. The Commissioners asked if the increase was due to self-induced problems, or just due to the overall cost increase of insurance. Ms. Davis said there were less self-inflicted claims than the year before.

Commissioner Stringer asked if it might be worth looking around at other property/liability insurance providers. Ms. Davis said she could ask other Georgia counties if they use anyone else, but the benefit of ACCG is that they completely understand county insurance. Chairman Dockery agreed, and said the people managing the program are commissioners and would not impose undue costs. We also get safety grants from them and sometimes benefits in the form of dividends, he added. The Chairman said it wouldn't hurt to look around, but he would hate to be lured in by an insurance company with a cheap first year and then have a surprise increase the second year.

20. 2021-037 - Consideration of Renewal of State Properties Commission Lease - Technical College System of GA (Special Projects Director Ashley Peck)

Consideration of Renewal of State Properties Commission Lease - Technical College System of GA

Commissioner Mayfield made some positive comments regarding the Adult Learning Center.

21. 2021-038 - GDOC Inmate Work Detail Contract (Special Projects Director Ashley Peck)

GDOC Inmate Work Detail Contract

22. 2021-040 - Consideration of a Fuel Contract (Finance Director Abby Branan)

Consideration of a Fuel Contract

Chairman Dockery said this item was inspired by the recent fuel shortage event, and it will help ensure the County always has fuel for emergencies.

23. 2021-041 - Amend Kelley Building GMP (Special Projects Director Ashley Peck)

Amend Kelley Building GMP

Ms. Peck said this is for the sidewalks and parking at the Kelley Building. This was originally going to be paid for with funds separate from the Guaranteed Maximum Price (GMP), but Charles Black has given us a fair price quote to do the work. They are already on-site doing the renovations and are ready to do this project as soon as the BOC gives approval.

Commissioner Mayfield asked if this had to be bid out, but the County Manager said it did not because it falls under the required threshold. He said they are ready to finish the project as soon as the BOC reaches consensus. The Chairman asked him if this was SPLOST dollars due to it being ADA-related, but Mr. Kelley said it was an appropriation of the Board.

The BOC was in consensus to move forward with the project.

OTHER ITEMS

24. Water Authority Request for Planning Inspector's Ford Ranger Pickup (Water & Sewerage Authority Director Sean Phipps)

LCWSA respectfully requests the use of a 2003 Ford Ranger belonging to the Lumpkin County Division of Planning and Public Works.

25. Consideration of New Animal Shelter Facility Location (Special Projects Director Ashley Peck)

Consideration of site and plan for advancing project.

Ms. Peck said the area around Blackburn Park was determined to be an excellent location for the new animal shelter. Mr. Kelley said we looked at several County-owned properties, but this location is the most suitable and the most convenient. Chairman Dockery agreed, saying it was isolated enough to not be a nuisance to homeowners but would be convenient for staff. Animal Shelter Manager Wayne Marshall was in agreement and said the location would be great for access to the high call volume areas.

26. Kelley Building Dedication Plaque and Lettering (Special Projects Director Ashley Peck)

Kelley Building Dedication Plaque and Lettering

Both Commissioner Mayfield and Commissioner Stringer wanted to remove "for" from the lettering. The Chairman suggested "The Kelley Building - Planning & Development Services" (underneath). There was additional discussion on possibly including Mr. Kelley's start date and end date with the County.

27. Special Event Permit Request – R-Ranch in the Mountains (County Clerk Melissa Witcher)

Special Event Permit allowing R-Ranch in the Mountains to hold the 4th of July Concert Festival event July 2-3, 2021 at the R-Ranch.

28. Special Event Permit Request – KC Mellow LLC (County Clerk Melissa Witcher)

Special Event Permit allowing KC Mellow LLC to hold a wedding event June 27, 2021 at Vezalay Mountain View.

29. Road Acceptance Request – Whelchel Valley Subdivision (1.949 miles total) (Public Works Director Larry Reiter)

The HOA in Whelchel Valley is asking the BOC to accept the subdivision roads into the County Maintenance system when all repairs required by Staff are complete.

Public Works Director Larry Reiter said a few areas of the road need patching, and the Whelchel Valley Homeowners Association representative is here to answer questions if needed. Before they collect funding to pay for the repairs, they would like a commitment from the BOC that once they meet County standards, they will be accepted later on. Mr. Reiter said the roads do meet the standards already except for the few areas that need repairs. They were inspected as they were being built, but the developer chose not to ask for County acceptance back when the subdivision was finished due to the poor economy. Mr. Reiter will sign off on the repairs before any action is taken. Chairman Dockery said we can prepare a letter for signature at the regular meeting.

30. Consideration of 326 Fred Burns Road Abandonment (Public Works Director Larry Reiter)

Request to start the abandonment process for an approximately 0.25-mile portion of Fred Burns Road.

Mr. Reiter said if the BOC elects to start the abandonment process, we can then send letters to the residents and do the necessary advertising. Along with this abandonment, they are going to deed us a turnaround area to put in a cul-de-sac.

31. DALC Intent to Issue RFP for Broadband Partner (Development Authority Director Rebecca Mincey)

Lumpkin County was designated a “Broadband Ready Community” in 2019 by the Georgia Department of Community Affairs. This designation reflects that Lumpkin County is committed to improving the reliability, speed, and capacity of internet connections for businesses, residents, and visitors in Lumpkin County.

Development Authority Director Rebecca Mincey said funds will be issued to the OneGeorgia Authority this summer. The Development Authority intends to issue a Request for Proposals for a broadband provider to help explore where we can do a collaborative project, which will then be submitted to OneGeorgia Authority later on. She explained this is just the initial phase, and the Development Authority will collaborate with the Planning Department to submit a grant application later this summer. There will be a Department of Community Affairs webinar which will explain more about the timeline.

32. Naming of Commissioners Boardroom in Honor of Dr. David J. Miller (Special Projects Director Ashley Peck)

Naming of Commissioners Boardroom in Honor of Dr. David J. Miller

There was some discussion about the wording of the plaque. Mr. Kelley suggested removing "the" from the beginning of the plaque, and the BOC agreed. The plaque should read "Dr. David J. Miller Commissioners' Boardroom - Dedicated in memory of Dr. David J. Miller." The BOC would also like to add that wording above the door to the Boardroom.

PRESENTATIONS

1. DLC Chamber Leadership Lumpkin County Update (Chamber of Commerce Director Robb Nichols)

DLC Chamber Leadership Lumpkin County Update

2. 2020 Audit Presentation (Mauldin & Jenkins)

2020 Audit Presentation

3. Classification and Compensation Study Implementation (Community & Employee Services Director Alicia Davis)

Classification and Compensation Study Implementation

A representative from Evergreen, Nancy Berkeley, gave a presentation on the compensation study, which was followed by questions and comments from the Commissioners. Commissioner Mayfield asked if essentially every employee would get roughly an 8% pay increase with it costing almost \$1 million to enact the pay increases. Ms. Berkeley responded affirmatively. Commissioner Stringer asked about which counties and municipalities participated in the data set for the study, and Chairman Dockery asked if the ~\$910,000 included benefits. Stan Kelley, the County Manager, replied that it did not, and benefits would bring the total to around \$1.2 or \$1.3 million.

Chairman Dockery asked Ms. Berkeley some questions about how Lumpkin County could prevent from falling behind again without having to do a salary study every five years. He also observed that salaries would vary greatly across the data pool in Georgia depending on the size and wealth of the area, and this pool appeared to be weighed towards metropolitan areas judging by who participated. The Chairman said it would be impossible to tax our population enough to keep up with Forsyth County.

Mr. Kelley said that is true, but Lumpkin County is having to compete with many of those bigger or wealthier counties for employees. He said our goal is to retain good people within our means. Evergreen has provided different options for implementation of the results of the salary study. This is the top recommendation, but there are other options that are not as favorable to the employees, he added. Commissioner Mayfield said we may not

be able to go toe-to-toe with Gwinnett County, but we can try to encourage our employees to stay. Commissioner Stringer said the hardest part will be coming up with the funding for this.

The Chairman said this will probably be a recurring problem. Nancy Berkeley said the market has moved much faster and more aggressively than they anticipated, and Commissioner Mayfield observed the cost of everything has gone up. He agreed we need to have some type of system so this does not have to be done every five years. Chairman Dockery was concerned the County is 8% behind our peers and would like some guidance on how to keep pace. Ms. Berkeley said the County could do maintenance throughout and make paygrade changes in the interim.

CONSIDERATION OF MINUTES

Consideration of a Fuel Contract

20. 2021-041 - Amend Kelley Building GMP (Special Projects Director Ashley Peck)

Amend Kelley Building GMP

Mr. Kelley said the cost went down significantly.

OTHER ITEMS

21. Water Authority Request for Planning Inspector's Ford Ranger Pickup (Water & Sewerage Authority Director Sean Phipps)

LCWSA respectfully requests the use of a 2003 Ford Ranger belonging to the Lumpkin County Division of Planning and Public Works.

22. Consideration of New Animal Shelter Facility Location (Special Projects Director Ashley Peck)

Consideration of site and plan for advancing project.

Mr. Kelley said we looked at all the County property that could be somewhat suitable, and after reviewing we felt like Blackburn Park would be the most suitable. The County has a lease agreement with DNR for the property, and Mr. Kelley sent a letter to Senator Gooch to change some of the lease agreement wording to allow for the construction of an animal shelter.

23. Kelley Building Dedication Plaque and Lettering (Special Projects Director Ashley Peck)

Kelley Building Dedication Plaque and Lettering

24. Special Event Permit Request – R-Ranch in the Mountains (County Clerk Melissa Witcher)

Special Event Permit allowing R-Ranch in the Mountains to hold the 4th of July Concert Festival event July 2-3, 2021 at the R-Ranch.

25. Road Acceptance Request – Whelchel Valley Subdivision (1.949 miles total) (Public Works Director Larry Reiter)

The HOA in Whelchel Valley is asking the BOC to accept the subdivision roads into the County Maintenance system when all repairs required by Staff are complete.

26. Consideration of 326 Fred Burns Road Abandonment (Public Works Director Larry Reiter)

Request to start the abandonment process for an approximately 0.25-mile portion of Fred Burns Road.

27. Consideration of Transfer of Property to Development Authority (Chairman Dockery)

Consideration of Transfer of Property to Development Authority

Consideration of Agenda

Motion: A motion was made by Commissioner Mayfield to approve the agenda. The motion was seconded by Commissioner Stringer. The motion was approved and carried.

Discuss 2022 Budget

7:00 - 7:30 Development Authority

Development Authority Director Rebecca Mincey is requesting an additional \$25,000 for two primary items. The first item is to fund a part time employee. The UNG interns have been used every year with great success, but it requires training a new person each year. The employee would start out working 20 hours a week. The other item is funding for special projects to help supplement expenses that are unknown at this time. Ms. Mincey explained this would be funding for items like reservoir trails or items that improve the quality of life of our citizens that come up in the future. Currently there are no monies set aside for this and if needed, it could be used to assist with obtaining grants that may require a small local match. The request has been included in the presented budget but she wanted to explain their request and what they will be using it for. Chairman Dockery recommended the development authority be included in the general fund and in the budget in the future so they are well maintained and kept operational. He said this year is not the year, but sometime in the future he thinks that a dedicated millage tax needs to go to the development authority for economic development.

7:30 - 8:00 Library

Chairman Dockery began by reviewing the past requested amounts and what they are asking for today. The County Manager has recommended an increase of \$10,000 in the proposed budget. Library Director Leslie Clark said they have not asked for an increase in a couple of years. This year they are requesting an additional \$40,665 to cover the increase in the water bills, electric bills, and increased facility cleaning supplies. She disseminated a document explaining the increases and some of the bills that were not anticipated. They are wanting to increase the hours they are open and give a COLA/merit increase for the staff.

Ms. Clark shared a few stats of the amount of people that have been coming in compared to 2019. They are not comparing with 2020 because of COVID and the fact that the library was closed to citizens. They served over 700 patrons outside by table pickup during the height of COVID. During that time the employees were still coming in, so there were no savings from payroll. They did other things like digital materials and take-home kits as well. Chairman Dockery said before they built the new library, they both agreed there would be no additional staff requested. However, they didn't know what the extra utility costs would be, so they would have to be adjusted accordingly. She also reported that all 7 air conditioners had to be replaced, but they were covered under warranty. He asked if she sends the utility costs to the county manager for a side-by-side comparison to see where each have increased. She responded negatively, but will be able to go back and do so.

Chairman Dockery said he doesn't know what library employees are doing in the other counties compared to here. The library staff are not county employees and the commissioners do not know what they are being supplemented from other counties. Ms. Clark stated the employees receive a 3% increase each year but she will get some additional information for the Commissioners. Chairman Dockery said they needed documentation on the increases in the water and electric bills. He doesn't know if the increase in hours is feasible and suggested maybe if they see through 2021, they should have enough information to have a baseline. If the increase in water, electric, and cleaning supplies is COVID-related then it is considered a one-time expense and can be reimbursed. The extended hours, merit, and COLA increases is something that he would look into more closely next year.

Ms. Clark said they have increased their hours by 4 without increasing anything from the budget. Chairman Dockery explained \$10,000 had been added in the proposed budget for an increase in bills and cleaning supplies. Ms. Clark is going to provide a list of what is COVID-related for reimbursement and they can look at expanded hours next year after establishing a baseline. Chairman Dockery suggested imposing a small fee to offset the burden for using the meeting rooms.

8:00 - 8:30 Coroner

Coroner Mark Cox displayed a PowerPoint presentation explaining his desire to move away from the case fees and go strictly to a salary. He reviewed the surrounding area's economic data, demographic data, salaries and deputy coroners. He evaluated the current compensation for himself and the deputy coroner. Mr. Cox stated there is a proposed bill for 2022 for a minimum coroner salary of \$33,000. Chairman Dockery asked if that was for only the coroner or included the deputy coroner, and Mr. Cox replied he was unsure and would have to check.

Chairman Dockery asked about the amount of time it takes for each call. Mr. Cox responded it varies from case to case. It frequently involves calling the crime lab and waiting for the return call, and they also have to wait on the funeral home to get there. After some calculations Mr. Cox estimated a minimum of 8 hours per call, but if they can't determine a cause of death then it will take longer. The problem with determining the amount of time per call is that it doesn't occur all at one time.

They are on pace for 130 cases for the year. Mr. Cox said that if someone comes into the hospital unresponsive or has been there 24 hours or more, then they are not considered a coroner's case. Even though it is not their case, they have a page of questions that they have to ask when a hospital calls if the decedent is a county resident. Mr. Cox said that taking the information over the phone is not taking a case, but they log the call and record the information to cover their bases so it's not considered as falling in the gray area. Chairman Dockery expressed his concern with the possibility of a coroner hiring as many deputies as he wants for \$3000 a piece while the citizens are paying a coroner \$30,000 a year and then only going to one call. He said he doesn't think that Mr. Cox would do that, but he will not be in that position forever. The Chairman liked the idea of a salary and said something that provides a checks and balances system is the way to go. Commissioner Stringer suggested having the coroner and deputy coroner's salary set, then having a separate set amount for a third person. Then once the third amount is spent that will be it and there will be no additional monies added. The coroner will work with staff to figure out a salary around \$30,000 - \$35,000 to be spent on compensation.

8:30 - 9:00 Clerk of Court

9:00 - 9:30 Staff

Chairman Dockery reviewed with staff what was discussed with each department. He listed what additional information the BOC had requested from each department for submittal prior to the next budget meeting. Ms. Branan reviewed the proposed 2022 budget and the list of proposed and committed projects. With the average home value being \$225,000, a one-mill tax increase would cost the average homeowner \$90 dollars. The last millage increase was 5 years ago, she explained. The Commissioners also discussed the salary study and whether the aquatic center will be open by the spring of 2023. Staff was asked to prepare a scenario with a one mill tax increase and a scenario covering all expenses to see how much the millage increase would be. The Commissioners can look at the options at the next budget meeting that will be scheduled for next month.

ADJOURNMENT

Motion: A motion was made by Commissioner Mayfield to adjourn the meeting. The motion was seconded by Commissioner Stringer. The motion was approved and carried, and the meeting ended at 11:20 pm.

Minutes Acceptance: Minutes of Jun 15, 2021 7:00 PM (CONSIDERATION OF MINUTES)

Lumpkin County, Georgia

Special Projects Department

Date: July 20, 2021

Agenda Item: Consideration of Fleet Replacement Policy

Item Description: Consideration of Creation of a Fleet Replacement Policy

Facts & Historical Information:

At the annual board retreat, staff was directed to create a fleet replacement policy. Staff reviewed several policies from other counties and municipalities and also recommendations from the American Public Works Association to make sure this policy followed established best practices and was one that could accommodate a fleet such as ours which has a vast assortment of vehicles and equipment. The attached draft policy was sent to department heads and a representative of the Sheriff's department for review and comment. The comment period ended May 10, 2021. All comments received are included in the attached draft policy. The draft policy, as presented, places the burden on fleet maintenance to work with departments annually to determine which vehicles should be replaced and to make sure the appropriate supporting documentation is included in the annual budget request process. (Forms and schedules are incorporated in the policy document) The software program currently used by Fleet Maintenance captures the data necessary to make the completion of forms and the analysis process less of a burden on staff. One of the objectives in this policy is to control the size of the fleet and provide for standardization and this policy also addresses reassignment and disposal of vehicles and equipment.

The policy was updated from the last meeting to better define the thresholds for vehicles and heavy equipment as well as to better define the category that a vehicle would fall into. Representatives from Fire/EMS, Sheriff's department, public works, and fleet management were asked to supply input into these updates.

The policy was also updated to add the following section.
Additional Vehicles and Equipment:

The vehicle and equipment fleet are sized to meet the current needs of the County. To obtain a new vehicle as an addition to the current inventory, departments must demonstrate the need for an additional vehicle and provide justification during that departments annual general fund budget or SPLOST work plan process unless otherwise approved by the County Manager, or by the Board of Commissioners should an exception to this policy be referred to the Board for consideration by the County Manager, such referral being in the discretion of the County Manager.

All additional vehicles that have been approved and added to the County fleet must first, prior to department use, be inspected by the Fleet Manager and all required vehicle information is to be recorded into the Fleet Manager's record system.

Potential Courses

Of Action:

- 1) The board could consider approving this new policy. It is in line with the direction given to staff at the retreat. The policy meets the objectives as understood by staff and provides for a uniform approach with quantifiable data sets for the consideration of the replacement of vehicles and equipment.
- 2) Choose to not consider the policy. This would not follow the previous direction given to staff and would leave the replacement of vehicles and equipment with subjective assumptions rather than quantifiable data.
- 3) The board could consider approving the new policy with changes. The board would need to provide direction to staff on what needs to be changed and a new draft circulated for review/comment.

Budget Impact:

The policy could reduce the operational budget if vehicles with high maintenance costs are identified and removed from the fleet. This would also aid in the formation of capital budgets and future SPLOST program development should the board consider allowing capital purchases in future SPLOST referendums.

Staff Recommendation: The recommendation of staff is to ask the board to consider approving the attached policy.

Lumpkin County Resolution No. 2021 – 38

**A RESOLUTION TO ADOPT THE LUMPKIN COUNTY
FLEET REPLACEMENT POLICY**

Whereas, the Lumpkin County Board of Commissioners desires to approve and adopt a fleet replacement policy to control the size of Lumpkin County's fleet of vehicles and equipment, provide for standardization, and set procedures for the reassignment and disposal of vehicles and equipment;

Now therefore, it is hereby resolved that the Lumpkin County, Georgia Fleet Replacement Policy attached hereto as Exhibit "A" is hereby approved and adopted;

Resolved, adopted and effective this 15th day of June, 2021.

Chris Dockery, Chairman
Lumpkin County Board of Commissioners

Fleet Replacement Policy
Vehicle List 1

Lumpkin County, Georgia

Fleet Replacement Policy

Purpose:

To establish efficient and effective delivery of county services by providing departments with safe, reliable, economical and environmentally sound transportation and related support services that are responsive to their needs and that preserve vehicle value and equipment investment, to ensure that the full-service life of each county vehicle or item of equipment is utilized to its fullest potential and to implement uniform guidelines among all departments.

Objectives:

The primary objective is to control the overall cost of operating and maintaining Lumpkin County's fleet of vehicles and equipment, to maintain vehicles and equipment in a manner that extends their useful life, to control the growth in size of the fleet, to standardize the composition of the fleet and to accurately budget for maintenance and replacement costs. All new purchases for vehicles and equipment are coordinated through Fleet Management and department heads for recommendation to the County Manager during the annual budget process.

The purpose of this document is to provide a written vehicle replacement plan, and the specific vehicle and equipment needs and requirements of the fleet. Since each county's fleet and usage is unique, a universal management guide does not exist that can be applied to all types of fleets for every locality. This is a living document that will be modified and updated as needed to reflect changes in the county's organizational climate, the changing needs of our departments, and changes in the automotive and equipment industry.

Background:

Lumpkin County's Public Works and Fleet Maintenance Departments are assigned the overall responsibility for managing the County's fleet of vehicles and construction/maintenance equipment. The Public Works Department and Fleet Maintenance work in conjunction with Finance to: develop vehicle and equipment replacement schedules; recommend vehicles and equipment for inclusion in the annual proposed budget; and recommend reassignment and disposal of vehicles and equipment. The vehicle and equipment maintenance functions are assigned to the Public Works and Fleet Maintenance Departments. The county's maintenance garage is located at 1646 Red Oak Flats Road with three full time mechanics to maintain the county's vehicles and equipment units. A complete listing of the vehicles and equipment maintained by the fleet maintenance manager is listed as an attachment to this report.

Maintenance:

The goal of the Fleet Maintenance vehicle and equipment maintenance practices is to keep vehicles and equipment in sound operating condition. Preventive maintenance routines and intervals followed by our mechanics are based on local driving conditions and manufacturer's

recommendations, for each type of vehicle or equipment and each type of maintenance service. Maintenance costs represent a significant portion of the total cost to own and operate a vehicle or piece of heavy equipment and tend to increase as a vehicle or equipment ages. Escalating maintenance costs are a key factor in determining when to replace a fleet vehicle. In addition to the added cost of maintenance as a vehicle ages, there is an additional cost to the county when a vehicle is in the garage receiving maintenance and not available for use. Preventive maintenance is the key to avoiding the repair or replacement of costly major vehicle components such as engines, transmissions and drive trains. Our mechanics make adjustments to the manufacturer's recommendations based on the specific vehicle's use. For example, a police vehicle may idle for an extended period of time while an officer monitors a high-risk area. When an engine idles, it incurs wear and tear that will require future maintenance. So, the maintenance schedule for a vehicle that runs idle 50 percent of the time may be as frequent as that of a comparable one that drives more miles.

Accurate and complete vehicle maintenance records are a key tool for making fleet management decisions. Vehicle maintenance costs are variable and distinct to each vehicle. Pertinent records maintained for each vehicle are:

- Vehicle maintenance logs
- Fuel usage logs
- Cumulative costs of parts, labor, and overhead by a vehicle over its life.

Replacement:

This policy uses replacement standards based on American Public Works Association industry guidelines and years of experience in operating and maintaining vehicles and equipment.

This policy takes a responsible approach to vehicle management using effective fleet management tools. Vehicle replacement is just one part of the process. Many factors will be considered before a vehicle is confirmed for replacement; any one factor can initiate the vehicle review process, but each is independent of the others. Since each vehicle is assessed on many elements besides age, this policy allows much greater flexibility for vehicle replacement. A vehicle may not have reached a fixed age replacement requirement to be eligible for replacement under this policy.

Development of Guidelines/Procedures for Replacement

Fleet Management has inventoried existing vehicles and equipment and has prepared a replacement schedule for all County vehicles and equipment. The schedule will be updated annually and will be used as the basis for planning for the replacement of vehicles and equipment. The vehicle and equipment replacement schedule will include the following information for each vehicle or unit of capital equipment:

- a. Age in years also known as life
- b. Usage in hours or miles
- c. Useful life (based on commonly used standards for municipal vehicles and equipment)

- d. Reliability (down time for repairs not related to preventative maintenance)
- e. Cost of Maintenance and Repairs
- f. Overall condition: mechanical, operating, safety, or appearance
- g. Vehicle/equipment year, mileage/hour thresholds
- h. Funding

A vehicle maintenance evaluation will be conducted a minimum of once a year per vehicle or equipment, unless conditions change due to an accident or large repair then an immediate evaluation should be completed. The vehicle maintenance evaluation is performed by the manager of the Fleet Maintenance Department or Public Works Department (Evaluation Form attached).

The Evaluation Forms will be provided to the budget committee for further review and consideration. If the evaluation proves the vehicle would be economical to retain for an additional year, the vehicle will be targeted for retention in as-is service or be refurbished and returned to service in the same assignment or reassigned. In some cases, it may be reassigned to other departments with "low usage" requirements.

Depending on the availability of funds, vehicles and equipment will be replaced when they are at the end of their economic life, no longer safe to operate, not reliable enough to perform their intended function, or there is a demonstrated cost savings to Lumpkin County.

All vehicles acquired and maintained by Lumpkin County are recommended for replacement in accordance with adopted guidelines/procedures and all departments are responsible for complying with these guidelines/procedures.

Reassignment and Disposal of Vehicles and Equipment:

Fleet vehicles and heavy equipment can be reassigned to replace units currently assigned to other departments. In those instances, the older units will be disposed unless otherwise approved by the County Manager, or by the Board of Commissioners should an exception to this policy be referred to the Board for consideration by the County Manager, such referral being in the discretion of the County Manager.

Annually, Fleet Management will meet to review the vehicle and equipment replacement schedule, and plan for the reassignment or disposal of vehicles and equipment that have qualified to be replaced. Trade in, sealed bids, internet auctions, trade journal advertisements, and public auctions will be utilized for the disposal of vehicles and heavy equipment once the Board of Commissioners have adopted a resolution to declare the items surplus.

Additional Vehicles and Equipment:

The vehicle and equipment fleet are sized to meet the current needs of the County. To obtain a new

vehicle as an addition to the current inventory, departments must demonstrate the need for an additional vehicle and provide justification during that departments annual general fund budget or SPLOST work plan process unless otherwise approved by the County Manager, or by the Board of Commissioners should an exception to this policy be referred to the Board for consideration by the County Manager, such referral being in the discretion of the County Manager.

All additional vehicles that have been approved and added to the County fleet must first, prior to department use, be inspected by the Fleet Manager and all required vehicle information is to be recorded into the Fleet Manager's record system.

Point Range Details for Sedans, SUV's, Trucks (1 Ton or Less) Replacement Guidelines

Factor	Points	Description
Age/Hours Usage Type of Service	1	Each year of Chronological Age
	1	Each 10,000 miles or 250 hours
	1	Standard Sedans, SUV's, Pickups
	2	Standard vehicles with occasional off-road use
	3	Any vehicle that pulls, trailers, hauls heavy loads and has continued off-road usage
	4	Any vehicle involved in snow removal
	5	Police Units
Reliability PM Work Not Included	1	In shop one time within 3-month time period, no major breakdowns or road calls
	2	In shop one time within 3-month time period, with 1 breakdown or road call
	3	In shop more than once within 3-month time period, with 1 breakdown or road call
	4	In shop more than twice within one month time period, with 1 or more breakdown or road calls in the same time period
	5	In shop more than twice monthly, 2 or more breakdowns within one month time period
M&R Costs Incident Repair Not Included	1	Maintenance costs are less than or equal to 20% of replacement cost
	2	Maintenance costs are 21-40% of replacement cost
	3	Maintenance costs are 41-60% of replacement cost
	4	Maintenance costs are 61-80% of replacement cost
	5	Maintenance costs are greater than or equal to 81% of replacement costs
Condition	1	No visual damage or rust, good drive train
	2	Minor imperfections in body & paint, interior fair (no rips, tears, burns), good drive train
	3	Noticeable imperfections in body & paint surface, minor rust, minor damage for add-on equipment, worn interior (one or more rips, tears, burns) and weak or noisy drive train.
	4	Previous accident damage, poor paint & body condition, rust (holes), bad interior (rips, tears, cracked dash), major damage for add-on equipment and drive train component bad
	5	Previous accident damage, poor paint & body condition, rust (holes), bad interior (rips, tears, cracked dash), drive train is damaged or inoperative and major damage from add-on equipment
Point Ranges	Condition	Description
0-23	Excellent	Do Not Replace
24-28	Very Good	Re-evaluate for next year's budget
29-33	Good	Qualifies for replacement this year if M/R cost exceed 60% of cost

Planning Department

Date: July 20, 2021

Agenda Item: Consideration of Revision to Short Term Rental License Ordinance

Item Description: DISCUSS REVISIONS TO CHAPTER 12, BUSINESS REGULATIONS AND LICENSING

Facts and Summary:

The following revisions for the Board to discuss have been found through daily operations and have also been influenced over the past year by the County switching to a third-party system as well as the passage of GA HB 317. Through daily operations it was found that the late fee of 10% was mistakenly left out of the updated resolution in 2018. Staff has also found that verbiage is needed to address consequences if a Short-Term Rental property is in operation without a short-term rental license.

In 2020, Lumpkin County contracted with a third-party system, Host Compliance, to collect the county's hotel/motel tax, provide for short-term rental licenses, identify non-compliant rental properties and provide 24-7 complaint hot-line. The language in the ordinance should to be updated to reflect this change.

As of July 1st 2021, Georgia HB 317 went into effect. This law states that third-party rental platforms (Airbnb, VRBO, HomeAway, etc....) are responsible for collecting and remitting the hotel/motel tax to the county. This changes both how and who the county receives the hotel/motel tax from.

Item Description: There are nine items staff is recommending the board discuss:

1. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-29(a)) by replacing "November 15" with "December 31."
2. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-29(b)) by adding "for existing businesses."
3. Revise Lumpkin County Business Regulations and Licensing (Sec.12-103(a)) by adding "The annual fees for the issuance of a short-term rental host license shall be established by resolution and shall be set forth in the County Fee Schedule in Chapter 18, Fees and Other Charges."
4. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-103(b)) by adding "In the event that any person commences a new business on any date after January 1, the short-term rental host license shall be due and payable 30 days following the commencement of the business."
5. Revise and add Lumpkin County Business Regulations and Licensing (Sec. 12-103(e)) by adding "A penalty of ten percent per month of the amount of the short-term rental host license shall be imposed upon payments, for existing businesses, made after December 31."
6. Revise and add Lumpkin County Business Regulations and Licensing (Sec. 12-103(f)) "Operation of a short-term rental business for more than 30 days without payment of the required short-term rental host license is a violation of this article, and the business will be given a warning and be required to pay a penalty of three times the required short-term rental host license fee due. If the short-term rental host license and the penalty are not paid within ten calendar days of the date of the warning, a citation will be issued."
7. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-106 (a)(5)) by replacing "Lumpkin County Finance Office" with "Lumpkin County's third-party system."
8. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-106 (a)(5)) by replacing "remit all

applicable hotel/motel tax proceeds” with “to renew short-term rental license each year.”

9. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-106) by adding “Parties that do not use third party rental platforms (Airbnb, VRBO, HomeAway, etc..) that remit hotel/motel tax on the short-term rental owner’s behalf, are responsible for remitting all applicable hotel/motel tax proceeds through Lumpkin County’s third-party system.”

Potential Course of Action:

1. Approve all nine revisions to the Business Regulations and Licensing regulations (Chapter 12)
2. Approve revisions with changes to the Business Regulations and Licensing regulations (Chapter 12)
3. Do not approve revisions to the Business Regulations and Licensing regulations (Chapter 12)

Budgetary Impact:

None

Staff Recommendation:

Staff recommends COA 1

The annual fees for the issuance of a short-term rental host license shall be established by resolution and shall be set forth in the County Fee Schedule in Chapter 18, Fees and Other Charges.

LUMPKIN COUNTY RESOLUTION NO. 2021 – 45

**A RESOLUTION TO AMEND
CHAPTER 12 – BUSINESS REGULATIONS AND LICENSING
OF THE CODE OF ORDINANCES OF LUMPKIN COUNTY**

Whereas, the Lumpkin County Planning Department has reviewed Chapter 12 – Business Regulations and Licensing of the Code of Ordinances of Lumpkin County and has recommended certain administrative and minor revisions as set forth below:

1. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-29(a)) by replacing “November 15” with “December 31.”
2. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-29(b)) by adding “for existing businesses” and deleting the last sentence so that it reads: “A penalty of ten percent per month of the amount of occupation tax payable shall be imposed upon payments, for existing businesses, made after December 31.”
3. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-103(a)) to read: “The annual fees for the issuance of a short-term rental host license shall be established by resolution and shall be set forth in the County Fee Schedule in Chapter 18, Fees and Other Charges.”
4. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-103(b)) by adding “In the event that any person commences a new business on any date after January 1, the short-term rental host license shall be due and payable 30 days following the commencement of the business.”
5. Revise and add Lumpkin County Business Regulations and Licensing (Sec. 12-103(e)) by adding “A penalty of ten percent per month of the amount of the short-term rental host license shall be imposed upon payments, for existing businesses, made after December 31.”
6. Revise and add Lumpkin County Business Regulations and Licensing (Sec. 12-103(f)) “Operation of a short-term rental business for more than 30 days without payment of the required short-term rental host license is a violation of this article, and the business will be given a warning and be required to pay a penalty of three times the required short-term rental host license fee due. If the short-term rental host license and the penalty are not paid within ten calendar days of the date of the warning, a citation will be issued.”
7. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-106 (a)(5)) by replacing “Lumpkin County Finance Office” with “Lumpkin County’s third-party system.”
8. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-106 (a)(5)) by replacing “remit all applicable hotel/motel tax proceeds” with “to renew short-term rental license each year.”
9. Revise Lumpkin County Business Regulations and Licensing (Sec. 12-106 (a)) by including a new provision as Sec. 12-106(a)(6) and renumbering the subsequent provisions accordingly. The new Sec. 12-106(a)(6) shall read: “Parties that do not use third party rental platforms (Airbnb, VRBO, HomeAway, etc..) that remit hotel/motel tax on the short-term rental owner’s behalf, are responsible for remitting all applicable hotel/motel tax proceeds through Lumpkin County’s third-party system.”

Whereas, the Lumpkin County Board of Commissioners desires to approve and adopt the recommended revisions set forth above;

Now, therefore, it is hereby resolved by the Board of Commissioners that the recommended revisions to Chapter 12 – Business Regulations and Licensing of the Code of Ordinances of Lumpkin County set forth above and as attached hereto as Exhibit “A” are hereby approved and adopted, and

It is further resolved that Chapter 12 – Business Regulations and Licensing of the Code of Ordinances of Lumpkin County shall be revised accordingly.

Resolved, adopted and effective this 20th day of July, 2021.

Chris Dockery, Chairman
Lumpkin County Board of Commissioners

Attest:

Melissa Z. Witcher
Lumpkin County Clerk

Revised Updated STR Ordinance

PART II - CODE OF ORDINANCES
Chapter 12 - BUSINESS REGULATIONS AND LICENSING
ARTICLE IV. SHORT-TERM RENTAL HOST LICENSE

ARTICLE II. - BUSINESS REGISTRATION AND OCCUPATION TAX

Sec. 12-29. When tax due and payable; penalties; interest.

- (a) The occupation tax shall be due and payable annually on or before ~~November 15~~ December 31 each year. In the event that any person commences a new business on any date after January 1, the occupation tax shall be due and payable 30 days following the commencement of the business.
- (b) A penalty of ten percent per month of the amount of occupation tax payable shall be imposed upon payments, for existing businesses, made after ~~November 15 but before December 31. In the case of businesses in operation on January 1 of said year and upon any payment for a new profession, trade or calling begun in Lumpkin County if said occupation tax payment is not made within 90 days of commencing business.~~
- (c) Operation of a business for more than 30 days without payment of the required occupation tax is a violation of this article and the business will be given a warning and be required to pay a penalty of three times the required occupation tax due. If the occupational tax and the penalty is not paid within ten calendar days of the date of the warning a citation will be issued.

(Res. No. 2004-12, (Exh. A)§ 10, 4-15-2004)

ARTICLE IV. SHORT-TERM RENTAL HOST LICENSE

Sec. 12-100. Purpose.

The purpose of this article is to establish regulations for the use of a residential structure or part thereof as a short-term rental in order to support the Lumpkin County Comprehensive Plan while minimizing the negative, secondary effects on surrounding properties, to ensure proper safety precautions are in place, and to facilitate the collection and payment of hotel/motel taxes.

(Res. No. 2018-66, 12-18-2018)

Sec. 12-101. Definitions.

As used in this article, the following terms shall have the meanings ascribed to them in this section:

Bedroom. A room that is intended primarily for sleeping as reflected on the building permit, tax assessors records or site inspection.

County. Unincorporated Lumpkin County.

Compensation. Remuneration or anything of economic value that is provided, promised or donated primarily in exchange for services rendered. This includes, but is not limited to, voluntary donations, and fee-sharing.

Director. The Planning Director or his or her designee.

Guest. Any person or persons renting a short-term rental.

Owner. (Innkeeper) Any person who, alone or with others, has title or interest in any residential structure, building, property, or portion thereof, with or without accompanying actual possession thereof, including any person who, as tenant, agent, executor, administrator, trustee, or guardian of an estate, has charge, care, or control of any short-term rental use.

Person. Any individual, firm, corporation, association, governmental entity, or partnership and its agents or assigns.

Responsible party. An individual(s) with the legal authority to make and act on decisions of tenancy, building maintenance, complaints and repairs relating to applicable safety codes. The responsible party must be available as a point of contact for the county as well as any short-term rental guest(s) for the duration of the stay in the short-term rental. The responsible party shall be available twenty-four hours per day, seven days per week for the purpose of responding within two hours to complaints related to the short-term rental and taking remedial action to resolve such complaints.

Short-term rental advertisement. Any method of soliciting use of a lodging accommodation or any part thereof for short-term rental purposes.

Short-term rental. A lodging accommodation offered to transient guests for a period of time not to exceed 30 consecutive days.

Short-term rental host. (Innkeeper) Any person who is the owner of a lodging accommodation or any part thereof that is offered for short-term rentals for periods of 30 days or less and who is responsible for applying for a short-term rental host application and fee.

Short-term rental host (Innkeeper) registry. A log of information maintained by the short-term rental host. This log will include the date, number of guests and length of stay.

Small lodging. Small lodging means any facility or parcel used to provide short-term accommodations to lodgers in 25 or fewer rooms or other units including hostels, B&B's, or other similar facilities.

(Res. No. 2018-66, 12-18-2018)

Sec. 12-102. License required.

It is unlawful for any person to operate or advertise as a short-term rental within the county without a valid occupational tax certificate and a valid short-term rental host license issued pursuant to this article for each short-term rental.

(Res. No. 2018-66, 12-18-2018)

Sec. 12-103. License fee and license term.

(a) The annual fees for the issuance of a short-term rental host license shall be established by resolution and shall be set forth in the County Fee Schedule in Chapter 18, Fees and Other Charges.

- (b) A short-term rental host license shall expire December 31st of each year and must be renewed annually. In the event that any person commences a new business on any date after January 1, the short-term rental host license shall be due and payable 30 days following the commencement of the business.
- (c) Short-term rental host licenses are non-transferable.
- (d) This license applies to all short-term rentals in unincorporated Lumpkin County.
- (e) A penalty of ten percent per month of the amount of the short-term rental host license shall be imposed upon payments, for existing businesses, made after December 31.
- (f) Operation of a short-term rental business for more than 30 days without payment of the required short-term rental host license is a violation of this article, and the business will be given a warning and be required to pay a penalty of three times the required short-term rental host license fee due. If the short-term rental host license and the penalty are not paid within ten calendar days of the date of the warning, a citation will be issued.

(Res. No. 2018-66, 12-18-2018)

Sec. 12-104. License investigation and issuance of short-term rental host.

Upon receipt of a completed application for the issuance or renewal of a short-term host license, the planning office may inspect the short-term rental for compliance with all applicable laws, rules, and regulations.

(Res. No. 2018-66, 12-18-2018)

Sec. 12-105. License applications.

- (a) Short-term rental host license:
 - (1) Application for the issuance, renewal or change of ownership of a short-term rental host license shall be provided to the planning department on the form provided by the planning department and comply with requirements set out in this article.
 - (2) The applicant shall be the owner(s) of the property listed on the application to be used as a short-term rental. If applicant is a business entity, the name of the authorized agent shall be provided on the short-term rental host application.

(Res. No. 2018-66, 12-18-2018)

Sec. 12-106. Short-term rental host general provisions.

- (a) All short-term rental hosts must comply with the following:
 - (1) Provide documentation and a signed declaration of compliance attesting to compliance with subsections (1) through (9) below.
 - (2) Provide local contact (responsible party) information to all short-term rental guests during a guest's stay. The person designated by the owner as the responsible party shall be available twenty-four hours per day, seven days per week for the purpose of responding within two hours to complaints related to the short-term rental and taking remedial action to resolve such complaints.
 - (3) Comply with all applicable laws, rules and regulations pertaining to the use and occupancy of a short-term rental.
 - (4) Post the following information in a conspicuous place within the short-term rental:

(Supp. No. 12)

Created: 2021-06-23 14:57:52 [EST]

- a. Contact information for the responsible party;
 - b. Street address;
 - c. Floor plan indicating fire exits and escape routes;
 - d. Information about how a guest can contact the planning department to report any concerns or complaints; and
 - e. Maximum occupancy load;
 - f. "In Case of Emergency", Dial 911.
- (5) Establish a short-term rental account with ~~Lumpkin County Finance Office~~ **Lumpkin County's third-party system and renew short-term license each year.** ~~and remit all applicable hotel/motel tax proceeds.~~
 - (6) Parties that do not use third party rental platforms (Airbnb, VRBO, HomeAway, etc.) **that remit hotel/motel tax on the short-term rental owner's behalf** are responsible for remitting all applicable hotel/motel tax proceeds through Lumpkin County's third-party system.
 - (7) Provide proof that the short-term rental host license number is included on any short-term rental advertisement.
 - (8) Provide the planning department with a copy of "house rules".
 - (9) Certify that there are no unpaid financial obligations to Lumpkin County.
 - (10) Certify that there are no deed restriction and/or covenants on a property that prohibits the use of the property as a short-term rental.
- (b) Parking. All vehicles shall only be parked in the driveway and/or within the garage area of the short-term rental. Vehicles shall not be parked within the right-of-way of public roads or easements, including grassy/unimproved areas.
 - (c) Solid waste/trash. Trash and refuse shall not be left stored within public view, or in the public right-of-way, except in proper containers for purposes of collection by an authorized waste hauler.
 - (d) Occupancy load. Occupancy limit of two persons per bedroom plus 2 additional persons.
- (Res. No. 2018-66, 12-18-2018)

Sec. 12-107. Violations/consequences.

- (a) The planning director is authorized to issue a warning, suspend or revoke a short-term rental host license issued under the provisions of this chapter if the short-term rental host license is issued in error, or on the basis of incorrect information supplied, or where it is determined that the building, structure, unit or portion thereof is in violation of any ordinance or regulation or any of the provisions of this article, including but not limited to the International Property Maintenance Code.
- (b) If any violations stated in this article have been committed and not corrected within the time specified, the planning director shall begin the procedures to revoke the short-term rental host license in accordance with the following:
 - (1) In the event of a first violation of this article, the planning director shall give a citation warning to the owner/operator specifying the nature of the violation(s) and the time to correct violation(s).
 - (2) In the event of a second violation of this article of the same nature, the planning director will issue a suspension of the short-term rental host license for a 30-day period.

-
- (3) In the event of a third violation of this article, of the same nature, the planning director will revoke the short-term rental host license. The owner/operator may not reapply for the same property for a period of 12 months.
- (c) Any person who shall do anything prohibited by this article or who shall fail to do anything required by this article shall be guilty of a misdemeanor, amenable to the process of the county magistrate court and upon conviction, shall be punished as provided in O.C.G.A. § 17-10-3, and said provisions are by reference incorporated herein.

(Res. No. 2018-66, 12-18-2018)

Secs. 12-108—12-193. Reserved.

Lumpkin County, Georgia

Finance Department

Date:	July 20, 2021
Agenda Item:	Amend 2021 Budget Calendar
Item Description:	Amend the 2021 Budget Calendar for FY2022 Budget Due to a Time Error
Facts & Historical Information:	The Board of Commissioners adopted the 2021 budget calendar for FY2022 budget by Resolution 2020-51. Staff has identified a date error in the calendar. The adopted calendar has a Public Hearing set for August 24, 2021 at 4:30, followed by a Special Called Meeting for Adoption of Budget Resolution and to Establish Millage Rates at 4:00. The Public Hearing should be at 4:00, and the Special Called meeting should be at 4:30.
Potential Courses of Action:	A) Amend the 2021 Budget Calendar to correct the error. B) Do not amend the 2021 Budget Calendar, but this will cause the County to be outside of state law regarding public hearings being held prior to establishing millage rates.
Budget Impact:	There is no impact to the budget by amending the budget calendar.

LUMPKIN COUNTY RESOLUTION NO. 2021-46

**A RESOLUTION TO AMEND AND RESTATE THE 2021 BUDGET CALENDAR
FOR THE 2022 BUDGET
AS ADOPTED IN RESOLUTION NO. 2020-51
AND AMENDED AND RESTATED IN RESOLUTION NO. 2021-26**

Whereas, in accordance with the procedures set out in O.C.G.A. Title 36, Chapter 81, on November 17, 2020, by Lumpkin County Resolution No. 2020-51, the Lumpkin County Board of Commissioners adopted the Lumpkin County 2021 Budget Calendar for establishing the 2022 Budget; and

Whereas, the Lumpkin County 2021 Budget Calendar was amended and restated in Lumpkin County Resolution No. 2021-26; and

Whereas, it has been determined that the times for the public hearing on August 24, and the special called meeting to adopt the budget and establish the millage on August 24 are in error and should be corrected as set forth the amended Lumpkin County 2021 Budget Calendar for the 2022 fiscal year budget as reflected in Exhibit "A" attached hereto;

Now, therefore, it is hereby resolved that, pursuant to the authority vested in the governing authority of Lumpkin County by Article 9, Sections 2 and 4 of the Constitution of the State of Georgia, and O.C.G.A. § 36-81-3(d), the Lumpkin County Board of Commissioners hereby amends the Lumpkin County 2021 Budget Calendar for the 2022 fiscal year budget as reflected in Exhibit "A" attached hereto and incorporated herein.

Resolved, adopted and effective this 20th day of July, 2021.

Chris Dockery, Chairman
Lumpkin County Board of Commissioners

Attest:

Melissa Z. Witcher
Lumpkin County Clerk

Lumpkin County, Georgia

Election and Voter Registration Department

Date:	July 20, 2021
Agenda Item:	Amend IGA City of Dahlonega & Lumpkin County - 2021 Municipal Election
Item Description:	Amend the IGA with City of Dahlonega for conducting the 2021 Municipal General Election due to the addition of a county wide election.
Facts & Historical Information:	The City of Dahlonega requested that the Lumpkin County Board of Elections conduct their 2021 Municipal General Election. The Board of Elections agreed to conduct this election and the Board of Commissioners approved the IGA with the City of Dahlonega. Lumpkin County will be conducting a Special Election on November 2, 2021 to fill the vacant District 1 County Commission seat. The Special Election will be held on the same day as the City of Dahlonega Municipal General Election. This date was chosen as to benefit both the City of Dahlonega and Lumpkin County as the cost for the election could be divided equally between both. The IGA has been amended to state; “The City shall reimburse the County for one-half of the expenses incurred by the County and its Board of Elections and Registration associated with the 2021 Municipal General/Special Election and the County’s Special Election to be held on November 2, 2021...” This is the only change to the previously approved IGA.
Potential Courses Of Action:	1. Approve the amended IGA: Most favorable option as this will decrease the cost of conducting the special election as it will be held in conjunction with the municipal election. 2. Do not approve the amended IGA: Least favorable option as this would require the Elections Office to conduct the Special Election separate and apart from the City Election and the total cost of the election would be on the County.
Budget Impact:	The cost for an Election was included in the 2021 Election’s Budget and conducting the election with the City of Dahlonega will decrease the total cost of the election for the City and the County. The City will be responsible for paying half of the total cost and the county will pay half of the total cost.
Staff Recommendation:	Approve the amended IGA with the City of Dahlonega.

Amended 2021 IGA with City of Dahlonega

STATE OF GEORGIA
COUNTY OF LUMPKIN

AMENDED AND RESTATED
INTERGOVERNMENTAL AGREEMENT BETWEEN LUMPKIN COUNTY AND THE CITY OF
DAHLONEGA RELATING TO THE 2021 MUNICIPAL ELECTION FOR THE CITY OF DAHLONEGA

THIS AGREEMENT TO CONDUCT MUNICIPAL ELECTIONS PURSUANT TO GEORGIA ELECTION CODE SECTION 21-2-45(c) (the "Agreement") is made and entered into as of the Effective Date of August 2, 2021, by and between **CITY OF DAHLONEGA, GEORGIA**, a municipal corporation organized and existing under the laws of the State of Georgia (hereinafter referred to as the "City"), and **LUMPKIN COUNTY, GEORGIA**, a political subdivision of the State of Georgia (hereinafter referred to as the "County"). This Agreement is joined by the Lumpkin County Board of Elections and Registration to the fullest extent required by the laws of the State of Georgia.

W I T N E S S E T H:

WHEREAS, under the provisions of the Georgia Election Code, particularly Section 21-2-45(c) thereof, the City may by ordinance authorize the County to conduct such elections as the City deems necessary and expedient, and the City has previously adopted such an ordinance; and

WHEREAS, the City previously contracted with the County, with the approval of the Lumpkin County Board of Elections and Registration, to conduct the City's 2021 General Municipal/Special Election to be held on November 2, 2021; and

WHEREAS, the County will now also be holding a Special Election on November 2, 2021; and

WHEREAS, the City and the County desire to amend the prior Agreement to reflect that the City and the County will share in the expenses of the November 2, 2021 election; and

WHEREAS, the City has authorized the Mayor and Clerk to enter into this Agreement with the County, and the County has agreed to conduct and supervise the 2021 General Municipal/Special Election to be held on November 2, 2021 for the City upon the terms and conditions hereinafter set forth; and

WHEREAS, this Agreement was presented and approved at meetings of the governing authorities of both the County and the City pursuant to lawful and duly given notice as required by O.C.G.A. 50-14-1 et seq.

NOW, THEREFORE, in consideration of the mutual promises, covenants and undertakings of the parties hereto the City and County agree as follows:

1.

With respect to the 2021 Municipal General/Special Election to be held November 2, 2021, the Lumpkin County Board of Elections and Registration shall conduct the election for the City at the Office of the Lumpkin County Board of Elections and Registration and/or such other precinct locations as determined by the Lumpkin County Board of Elections and Registration.

2.

The Lumpkin County Board of Elections and Registration shall perform all duties as set forth and labeled as "County" in Exhibit A attached hereto and incorporated herein by reference. The Lumpkin County Board of Elections and Registration shall determine the procedures and mechanisms used in carrying out all duties established in Exhibit A and labeled as "County". The City shall perform all duties as set forth and labeled as "City" in Exhibit A

attached hereto and incorporated herein by reference. The City shall determine the procedures and mechanisms used in carrying out all duties established in Exhibit A and labeled as "City."

3.

The City shall reimburse the County for one-half of the expenses incurred by the County and its Board of Elections and Registration associated with the 2021 Municipal General/Special Election and the County's Special Election to be held on November 2, 2021, including, without limitation, the compensation of time and required trainings of the County Elections Manager, the Elections Technician, Board of Elections Members, and all poll workers, and the cost of materials and supplies needed to conduct said election. Such expenses shall be submitted to the City within sixty (60) days of the conclusion of the election covered by this agreement, and such expenses shall be paid by the City within thirty (30) days of the date of such invoice.

4.

As a part of the duties of the Lumpkin County Board of Elections and Registration, it shall perform all duties as superintendent of elections for the City during the term of this agreement; provided however, that the Lumpkin County Board of Elections and Registration shall have no responsibility hereunder with respect to the matters specifically reserved to the City in Exhibit A.

5.

The County shall not be responsible for the furnishing of any legal services in the form of legal opinion or defenses in any litigation arising by reason of the 2021 General Municipal/Special Election; all such services shall be furnished by the City at no cost to the County. Notwithstanding the foregoing, in the event that the Board of Elections and

Registration is required to hear any challenge(s) regarding the November General Municipal/Special Election of whatever kind (e.g. challenge to candidacy or to electors, etc.), the Board of Elections and Registration shall have the right to be advised and represented by its legal counsel, and the City shall, within thirty (30) days of request from the Board of Elections and Registration, fully reimburse the County any and all legal fees and other costs and expenses incurred by it (through its Board of Elections and Registration) in connection with all such challenge(s). It is additionally understood and agreed that the City shall be solely responsible for obtaining preclearance, if any, required by law from the U.S. Department of Justice in connection with the 2021 General Municipal/Special Election.

In the event the County or its Board of Elections and Registration is named in any complaint or lawsuit involving the 2021 General Municipal/Special Election, the County or its Board of Elections and Registration shall have the right to be advised and represented by its own legal counsel, and the City shall, within thirty (30) days of request from the County or its Board of Elections and Registration, fully reimburse the County for any and all legal fees and other costs and expenses incurred by the County and its Board of Elections and Registration in connection with all such complaint or lawsuit.

6.

The Contract may be terminated by either party by giving notice to the other party, in writing, of its intent to terminate this Contract no fewer than ninety (90) days prior to the effective date of such termination. In the event of termination, any funds due to the County by the City for work performed by the Board of Elections and Registration through the date of

termination shall be paid by the City no later than thirty (30) days following the date of termination of the Contract.

7.

In all events, all elections conducted for the City by the Lumpkin County Board of Elections and Registration shall be conducted in accordance with the provisions of Title 1 and Title 21 of the Official Code of Georgia Annotated and all other applicable laws.

8.

This Agreement is made between and limited to the County and City, and is not intended, and shall in no event be construed to be, for the benefit of any person or entity other than the County (and its Board of Elections and Registration) and City, and no other person or entity shall be considered a third-party beneficiary by virtue of this Agreement or otherwise entitled to enforce the terms of this Agreement for any reason whatsoever.

9.

If any term, covenant, condition or provision of this Agreement, or the application thereof to any person or circumstance, shall ever be held to be invalid or enforceable, then in each such event the remainder of this Agreement or the application of such term, covenant, condition or provision to any other person or any other circumstance (other than those as to which it shall be invalid or unenforceable) shall not be thereby affected, and each term, covenant, condition and provision hereof shall remain valid and enforceable to the fullest extent permitted by law.

IN WITNESS WHEREOF, the parties hereto have executed this instrument to be effective as of the day and year first written above.

West's Code of Georgia Annotated
 Title 15. Courts
 Chapter 12. Juries (Refs & Annos)
 Article 1. General Provisions

Ga. Code Ann., § 15-12-7

§ 15-12-7. Compensation of court bailiffs and payment of expense allowance to jurors

Effective: April 29, 2014

Currentness

(a) The first grand jury impaneled at the fall term of the superior courts of the several counties shall fix:

(1) The compensation of court bailiffs in the superior courts of such counties for the next succeeding year, such compensation not to be less than \$5.00 per diem. The same compensation shall be allowed to bailiffs of the several state courts and special courts as is allowed bailiffs in the superior court of the county in which the state or special court is located;

(2) An expense allowance for trial or grand jurors in the superior courts of such counties for the next succeeding year not to be less than \$5.00 nor to exceed \$50.00 per diem. The same expense allowance shall be allowed to jurors of the several state courts and special courts as is allowed jurors in the superior court of the county in which the state or special court is located; and

(3) An expense allowance for grand jurors, such expense allowance not to be less than \$5.00 nor to exceed \$50.00 per diem.

(b) Any increase in the compensation of court bailiffs or increases in expense allowances for jurors fixed by a grand jury shall be subject to the approval of the governing authority of the county.

Lumpkin County, Georgia

Public Works Department

Date:	July 20, 2021
Agenda Item:	Request from Union County for Transfer of Wire Recycle Bins
Item Description:	Determine method for disposal of wire bins.
Facts & Historical Information:	Lumpkin County owns 29 folding wire bins that were previously used in the recycling process. Nine of the bins are 32"x42" stackable bins and 20 are 40"x48" on casters. The cost of the bins in new condition is \$100 each for the stackable bins and \$190 for the bins with casters. These bins were used for material storage and handling when the recycling process included baling of materials. When the county changed the process to ship the material unbaled, the bins were no longer used. Union County has recently requested the bins, if available. Staff is asking for guidance on disposal of the bins.
Potential Courses Of Action:	A) Transfer bins to Union County. B) Sell bins on gov deals. C) Sell bins to Union County.
Budget Impact:	The total new value of the bins is \$4,700. Similar used bins are selling on-line for \$50 to \$100 based on condition. I would anticipate that the bins would bring around \$50 each on gov deals or approximately \$1,500.
Staff Recommendation:	Staff is asking the BOC to provide guidance on how to dispose of these surplus items.

Agenda Item: Consideration of Options for the Yahoola Creek Park Basketball Court

Item Description: Consider options for the basketball court being constructed at Yahoola Creek Park.

Facts & Historical Information:

In October 2020, the Board of Commissioners approved a list of projects to be funded with General Fund savings from the CARES Act. On the list of projects was construction of an outdoor basketball court at Yahoola Creek Park. Cost estimates for sitework and paving were unknown at that time. The \$8,000 known cost was for the goals only.

Staff has estimated costs for the following options:

- Full Court Concrete with 6 goals
- Full Court Asphalt (Contracted) with 6 goals
- Full Court Asphalt (In-house) with 6 goals
- Full Court Concrete with 2 goals
- Full Court Asphalt (Contracted) with 2 goals
- Full Court Asphalt (In-house) with 2 goals
- Half Court Concrete
- Half Court Asphalt (Contracted)
- Half Court Asphalt (In-house)

The costs estimates are provided on the attached spreadsheet.

Due to the cost estimates for the project, staff is asking for guidance for the completion of the basketball court.

Potential Courses Of Action:

- A. Approve the completion of the full concrete basketball court with 6 goals. \$86,287
- B. Approve the completion of the full asphalt (contracted) basketball court with 6 goals. \$75,537
- C. Approve the completion of the full asphalt (in-house) basketball court with 6 goals. \$60,459
- D. Approve the completion of the full concrete basketball court with 2 goals. \$72,931
- E. Approve the completion of the full asphalt (contracted) basketball court with 2 goals. \$62,181

- F. Approve the completion of the full asphalt (in-house) basketball court with 2 goals. \$47,103
- G. Approve the completion of the half concrete basketball court with 2 goals. \$50,681
- H. Approve the completion of the half asphalt (contracted) basketball court. \$44,931
- I. Approve the completion of the half asphalt (in-house) basketball court. \$36,732
- J. Disapprove the completion of a basketball court.

Budget Impact:

The known costs of \$28,000 (\$8,000 for goals and \$20,000 for fencing) have already been allocated. If the Board of Commissioners approves the requested capital items in the 2022 budget be paid from General Fund savings from the CARES Act funds, there is \$40,785 remaining from that savings, making the total amount available \$68,785 without further use of Fund Balance. For all intents and purposes, this would be paid for from Fund Balance.

Staff Recommendation:

Staff recommends Option D. Option D can be funded by the \$28,000 already allocated, plus the \$40,785 remaining from General Fund savings from the CARES Act funds. This option will require an additional \$4,146 be allocated from Fund Balance.

Options for asphalt (B, C, E, F, H, I) are not recommended due to ongoing maintenance needs, such as sealcoating. Concrete is more durable and would last longer than asphalt. Half court options (G) and abandoning the project (J) are not recommended, as sitework for a full court has been completed, and 2 goals have been ordered. Option A would require an additional \$13,356 be paid from fund balance for the 4 additional goals.

Agenda Item: Discuss Mark Robinson Request for Recycling Fee Increase

Item Description: Revise recycling cost of the transfer station lease/ recycling agreement with Mark Robinson hauling, LLC.

Facts & Historical Information:

In June of 2020 the Transfer Station Lease contract was amended to include the operation of the Lumpkin County Recycling Program. Mark Robinson Hauling, agreed to take over operations of the recycling program for \$52,200 annually (\$4,350 per month). This agreement reduced the cost to the County of the recycling program by approximately \$49,000 annually. The contract was renewed in November of 2020 for an additional year at the same price. In late summer of 2020, the city stopped picking up recyclables from commercial customers. As a result, the amount of material going to the County recycling program has increased.

When Mark Robinson Hauling took over the recycling program it generated an average of 10 loads a month. It is now generating an average of 17 loads per month. Mark Robinson attributes the majority of the increase to the cardboard materials from the City's commercial customers. The increase in materials being generated by the program along with the increased costs of fuel, insurance and labor has increased the cost of operating the program significantly. As a result of these increases, Mark Robinson Hauling is requesting an increase in the amount he is paid to operate the program from \$4,350 to \$6,000 per month. (Note: Mark pays the county \$1,350 per mo. to operate the Transfer Station)

As an alternative to the increased cost to the County, Mark Robinson is offering the County an option of removing cardboard from the accepted materials. This option would reduce the amount of materials recycled to a level that would be covered by the current fee.

Potential Courses Of Action:

- A) Approve the increase from \$4,350 to \$6,000 per month.
- B) Stop accepting cardboard materials and keep the price the same.
- C) Eliminate the County recycling program.
- D) Return the operation of the program to a County operated program.
- E) Ask the City of Dahlonega contribute to the program

Discussion of Courses of Action:

- A) This option would increase the cost to the County of recycling from \$52,200 annually to \$72,000, but would allow the program to keep operating at its current level. This would still be a savings of approximately \$29,000 from what it cost to operate the program in-house in 2019.
- B) Stop accepting cardboard. This option would not increase county costs to operate the recycling program, but would reduce the effectiveness of the program by

eliminating the material that accounts for approximately 40% of the materials received in the program.

C) Eliminating the Recycling program would reduce the services offered to the citizens of the county, but would result in a reduction to the County budget of \$52,000 per year.

D) Returning the program to in-house would increase the budget by approximately \$100,000 based on 2019 costs. However, that budget would need to be increased to include the costs associated with the increased materials and costs of fuel, insurance and labor that Mark Robinson is asking for an increase to cover. Additionally, the market for materials is very low reducing revenues.

E) This option would keep the program operating at the current level, allow the contractor the requested increase to cover operating costs and allow the city to pay for the increased cost that resulted from the termination of their commercial recycling.
